

### Part 1: Task & Deadline Management

**Objective 1:** *To provide students with an organized platform to manage their academic tasks and deadlines efficiently.*

Question	Options	Summary of Responses
<b>1. Do you currently use any app or planner to manage your school tasks?</b>	Yes / No	Yes: 41.7% (15), No: 58.3% (21)
<b>2. Would you find it useful to set deadlines and reminders in one app?</b>	Yes / No	Yes: 97.2% (35), No: 2.8% (1)
<b>3. How often do you forget academic tasks or due dates?</b>	Frequently / Sometimes / Rarely / Never	Sometimes: 66.7% (24), Rarely: 19.4% (7), Frequently: 8.3% (3), Never: 5.6% (2)
<b>4. Would you prefer a daily, weekly, or monthly view of your tasks?</b>	Daily/Weekly/Monthly	Daily: 61.1% (22), Weekly: 36.1% (13), Monthly: 2.8% (1)
<b>5. Do you want to sort your tasks by subject or category?</b>	Yes / No	Yes: 97.2% (35), No: 2.8% (1)

Question	Options	Summary of Responses								
<p><b>6. Would you benefit from a color-coded task system (e.g., red = urgent)? Example</b></p> <p>To-do</p> <ul style="list-style-type: none"> <li><input checked="" type="radio"/> Not Started</li> </ul> <hr/> <p>In progress</p> <ul style="list-style-type: none"> <li><input checked="" type="radio"/> In Progress</li> <li><input type="radio"/> On Hold</li> <li><input type="radio"/> Delayed</li> </ul> <hr/> <p>Complete</p> <ul style="list-style-type: none"> <li><input checked="" type="radio"/> Completed</li> </ul> <p>below:</p>	Yes / No	Yes: 100% (36), No: 0% (0)								
<p><b>7. Do you often feel overwhelmed(overloaded) by multiple tasks and deadlines at once?</b></p>	Yes / No	Yes: 88.9% (32), No: 11.1% (4)								
<p><b>8. Would a progress bar or task completion tracker motivate you to finish schoolwork? Example below:</b></p> <p>Task Status</p> <table border="1"> <thead> <tr> <th>Status</th> <th>Percentage</th> </tr> </thead> <tbody> <tr> <td>Completed</td> <td>84%</td> </tr> <tr> <td>In Progress</td> <td>46%</td> </tr> <tr> <td>Not Started</td> <td>13%</td> </tr> </tbody> </table>	Status	Percentage	Completed	84%	In Progress	46%	Not Started	13%	Yes / No	Yes: 88.9% (32), No: 11.1% (4)
Status	Percentage									
Completed	84%									
In Progress	46%									
Not Started	13%									
<p><b>9. Have you ever missed a deadline because your tasks weren't organized in one place?</b></p>	Yes / No	Yes: 63.9% (23), No: 36.1% (13)								

Question	Options	Summary of Responses
<b>10. Would a built-in task manager encourage you to use the app regularly?</b>	Yes / No	Yes: 97.2% (35), No: 2.8% (1)

### Interpretation (Part 1):

The majority of students do not currently use a task manager, yet nearly all respondents expressed a strong interest in having a centralized system to track deadlines and organize tasks. Features like daily views, color-coded priorities, and progress tracking are highly valued. The data clearly supports the need for a built-in task manager within the proposed system.

### Part 2: Note-Taking & Organization

**Objective 2:** *To enable students to store, edit, and access their study notes in a centralized digital environment.*

Question	Options	Response Summary
<b>1. Have you used cloud note-taking apps before (e.g., Notion, Google Keep)?</b>	Yes / No	Yes: 61.1% (22), No: 38.9% (14)
<b>2. Do you take digital notes for your classes?</b>	Yes / No	Yes: 66.7% (24), No: 33.3% (12)
<b>3. Would you benefit from organizing your notes in one secure location?</b>	Yes / No	Yes: 91.7% (33), No: 8.3% (3)
<b>4. Do you often lose or misplace your handwritten notes?</b>	Yes / No	Yes: 74.3% (27), No: 25.7% (9)
<b>5. Would you prefer typing notes inside the app or uploading PDFs?</b>	Typing / Uploading / Both	Both: 72.2% (26), Typing: 13.9% (5), Uploading: 13.9% (5)

Question	Options	Response Summary
<b>6. Would tagging and grouping notes (putting your notes into groups) by subject/topic help you study?</b>	Yes / No	Yes: 97.2% (35), No: 2.8% (1)
<b>7. How often do you review your notes after class?</b>	Daily / Weekly / Occasionally / Never	Weekly: 36.1% (13), Daily: 33.3% (12), Occasionally: 25% (9), Never: 5.6% (2)
<b>8. Do you prefer having both desktop and mobile access to your notes?</b>	Yes / No	Yes: 100% (36), No: 0% (0)
<b>9. Would a built-in note editor with formatting tools be useful to you?</b>	Yes / No	Yes: 94.4% (34), No: 5.6% (2)
<b>10. Would automatic backup of your notes be important for you?</b>	Yes / No	Yes: 100% (36), No: 0% (0)

#### Interpretation (Part 2):

Students strongly favor centralized digital note-taking solutions. Most already use or are familiar with cloud apps and prefer typing or uploading PDFs. Features such as mobile/desktop access, tagging by subject, and auto-backup are seen as essential. The feedback highlights a clear demand for an all-in-one note organization tool with editing and storage capabilities.

### Part 3: Smart Study Tools (AI Summary & Quiz)

**Objective 3:** To integrate intelligent tools that assist in summarizing uploaded PDFs and generating quizzes for effective study.

Question	Options	Response Summary
<b>1. Have you ever needed help summarizing long readings or lecture slides?</b>	Yes / No	Yes: 97.2% (35), No: 2.8% (1)
<b>2. Would you use a feature that summarizes your notes or PDFs automatically?</b>	Yes / No	Yes: 94.4% (34), No: 5.6% (2)
<b>3. Do you think AI-generated quizzes can help you retain information better?</b>	Yes / No	Yes: 88.9% (32), No: 11.1% (4)
<b>4. Would you like to review your notes using flashcards or short quizzes?</b>	Yes / No	Yes: 94.4% (34), No: 5.6% (2)
<b>5. Would you trust an AI tool to help prepare you for a test?</b>	Yes / No	Yes: 77.8% (28), No: 22.2% (8)
<b>6. How often do you test yourself before exams?</b>	Always / Sometimes / Rarely / Never	Sometimes: 47.2% (17), Always: 44.4% (16), Rarely: 5.6% (2), Never: 2.8% (1)
<b>7. Do you currently use any AI tools to help with studying?</b>	Yes / No	Yes: 80.6% (29), No: 19.4% (7)
<b>8. Would a summarizer help reduce your study time?</b>	Yes / No	Yes: 100% (36), No: 0% (0)
<b>9. Would you want explanations for quiz answers generated by the system?</b>	Yes / No	Yes: 97.2% (35), No: 2.8% (1)
<b>10. Would combining notes, summaries, and quizzes in one app improve your learning experience?</b>	Yes / No	Yes: 100% (36), No: 0% (0)

**Interpretation (Part 3):**

There is overwhelming support for AI-powered study tools. Students express a strong interest in automatic summarization, quiz generation, and explanatory feedback. The results suggest that AI-enhanced features can meaningfully support exam preparation and improve retention.

**Overall Conclusion**

The high percentage of positive responses across all questions strongly supports the development of a system that merges task tracking, note management, and AI-powered review tools. Implementing such features would not only streamline students' academic workflows but also enhance their overall productivity and study efficiency.
